

Nexa Bank - Card Guide

Section 1: Card Status

ACTIVE

The card can be used normally.

FROZEN

The card has been temporarily disabled and cannot be used until it is reactivated.

CLOSED

The card is permanently inactive.

Section 2: Lost or Stolen Card

If a customer believes their card has been lost or stolen, they should contact Nexa Bank immediately.

The card may be frozen to prevent unauthorized use.

Section 3: Expiry Date

Every card has an expiry date. Customers should use the replacement card provided by the bank once the current card expires.
