

Nexa Bank - Customer Account Guide

Section 1: Account Opening

Customers can apply for a Nexa Bank account by completing the registration process and providing the required personal information.

Required information may include:

- Full name
- Date of birth
- Address
- City
- Country
- Postcode
- Mobile number
- Email address

After registration, the customer application may have one of the following statuses:

PENDING

The registration is waiting for review.

APPROVED

The registration has been approved and the customer can access banking services.

REJECTED

The registration was not approved.

Section 2: Account Status

APPROVED

The account is active and can be used normally.

FROZEN

The account has been temporarily restricted. Some banking operations may not be available until the account is unfrozen.

CLOSED

The account is no longer active.

Section 3: Account Number

Once an eligible customer account is created, the customer receives:

- Account number

- Sort code
- Account type
